

## Welcome to *Painting Around is FUN!*

We create beautiful artworks together in friendly groups.

*"There is no doubt that creativity is the most important human resource of all. Without creativity, there would be no progress, and we would be forever repeating the same patterns."* – Edward de Bono

I help groups like yours create artworks like these, as I am your **Social Art Guide**:

**Everyone is Creative!** Many of these painters considered themselves 'not creative'.

### **In a Social Art Project creativity is explored within the safety of a group.**

This helps by:

- having no performance pressure
- building creative confidence naturally
- avoiding the sting of comparison anxiety
- fostering co-creation and cooperation easily
- feeling personal ownership of the process and final artwork
- providing relaxed people skills practice – it's easier to talk while doing.

### **How Does a Social Art Project Work?**

All my social art projects have three stages - Messy Play, Exploration and Bling!

1. Messy Play – Let's dive into your creativity...
2. Exploration – Let's paint circles together...
3. BLING! – Let's decorate (Everyone loves glitter, right?)

### **Innovation for Access and Inclusion:**

Everyone can create with the right support. I have many accessible and inclusive strategies for assisting the ability of people with challenges and barriers. My 'Pattern Play' resources for painters to copy inspire with their simplicity.

### **How to get started - What happens?**

- We meet, look at my portfolio and plan a project together.
- I create a 'Social Art Proposal' (Quote) to outline our project.
- Once approved I send the 50% First Deposit Invoice.
- Together, we create a beautiful and unique artwork - with YOU, too!
- I edit & do finishing touches: edging, names, labels, titles, fixings & varnishing.
- We have the exciting REVEAL and I send the 50% Final Deposit Invoice.

### **Next Step:**

The value of my social art projects are from \$3500 for a 1m x 1m artwork over one to three workshop sessions and include all stages of creating your unique artwork. Let's get in touch via my Contact page or text me first on 0409 28 0070 before calling so I know to answer a private number. My email is: charndrapile at gmail.com

*Specialist in Inclusive Social Art Projects*

P.S I am a parent carer to my child living with disability which is why I am called an *Inclusive Social Artist*. People are social beings – I help people explore their creativity socially. I only do social art projects as I know their power for change.
